THE

Handwritten Burmese script, likely a historical document or manuscript page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. There are some small, dark circular marks or holes in the paper, possibly from binding or damage.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. There are some small, dark circular marks or holes in the paper, possibly from binding or damage.

Figure 1. The effect of the concentration of the *Agrobacterium* suspension on the transformation efficiency of *Agrobacterium* strains.

Handwritten text in the first column of the first page, starting with a large initial character.

Handwritten text in the second column of the first page, starting with a large initial character.

Handwritten text in the third column of the first page, starting with a large initial character.

Handwritten text in the fourth column of the first page, starting with a large initial character.

Handwritten text in the first column of the second page, starting with a large initial character.

Handwritten text in the second column of the second page, starting with a large initial character.

Handwritten text in the third column of the second page, starting with a large initial character.

Handwritten text in the fourth column of the second page, starting with a large initial character.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the top half of the page. The text is dense and covers most of the width of the page.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the bottom half of the page. The text is dense and covers most of the width of the page.

[illegible]

[illegible]

Main body of handwritten text on the first strip, consisting of several lines of script.

Main body of handwritten text on the second strip, continuing the script from the first strip.

$$d = \frac{1}{2} \left(\frac{1}{\rho_1} + \frac{1}{\rho_2} \right) \frac{1}{\left(\frac{1}{\rho_1} + \frac{1}{\rho_2} \right) \frac{1}{2} + \frac{1}{\rho_3}} \quad (1)$$

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, with some lines showing signs of fading or wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. This section continues the text from the top strip, maintaining the same dense, cursive style. The paper shows signs of aging and wear, with some ink bleed-through visible from the reverse side. The text is written in a consistent hand throughout the strip.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the previous page. This section contains several lines of text, some of which are written in a larger, bolder script, possibly indicating a new section or a heading. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. The script is dense and fills most of the page.

Handwritten text in the top right corner of the first page.

Main body of handwritten text on the first page, consisting of several lines of script.

Main body of handwritten text on the second page, continuing the script from the first page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the top half of the page. The text is dense and fills most of the horizontal space.

Handwritten text in a cursive script, likely Persian or Arabic, covering the bottom half of the page. The text continues from the top section and is also dense.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters or specific symbols. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters or specific symbols. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of entries, with some lines starting with capital letters. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten text in a cursive script, likely a historical document or manuscript. This section continues the text from the top page, maintaining the same dense, cursive style. The paper shows signs of wear and aging, with some fading and discoloration visible. The text is written in a consistent hand, suggesting a single scribe or a well-trained group of scribes.

E. coli O157:H7

Main body of handwritten text on the first page, featuring several lines of script and two large circular ink blotches.

Main body of handwritten text on the second page, continuing the script from the first page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with large, decorative initial letters. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with large, decorative initial letters. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. There are several large, dark ink blotches or stains on the page, particularly in the middle and lower sections, which may be due to age or damage. The script is dense and fills most of the page area.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. There are several large, dark ink blotches or stains on the page, particularly in the middle and lower sections, which may be due to age or damage. The script is dense and fills most of the page area.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than the main body of text. There are some large, stylized characters or symbols interspersed within the text, possibly indicating specific sections or headings. The overall appearance is that of a historical record or a personal letter.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some words appearing to be in a different script or dialect than the main body of text. There are some large, stylized characters or symbols interspersed within the text, possibly indicating specific sections or headings. The overall appearance is that of a historical record or a personal letter.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some lines starting with a large, ornate initial letter. The script is dense and flowing, characteristic of historical cursive handwriting. There are some small, dark circular marks or holes visible in the paper, possibly from binding or damage.

Handwritten text in a cursive script, continuing the document from the top strip. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some lines starting with a large, ornate initial letter. The script is dense and flowing, characteristic of historical cursive handwriting. There are some small, dark circular marks or holes visible in the paper, possibly from binding or damage.

Handwritten marginal note in the top right corner of the first page.

Main body of handwritten text on the first page, written in a cursive script. The text is arranged in several lines, with some ink blots and variations in line length.

Main body of handwritten text on the second page, continuing the script from the first page. It features similar cursive handwriting and includes some decorative elements like small circles or dots.

Handwritten text in a cursive script, likely Persian or Arabic, covering the top half of the page. The text is dense and spans across the width of the page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the bottom half of the page. The text is dense and spans across the width of the page.

1911

Handwritten text in a cursive script, likely a historical document or manuscript. The text is densely packed and covers the majority of the page area.

Handwritten text in a cursive script, likely a historical document or manuscript. This section appears to be a continuation or a separate entry, also densely packed with text.

Handwritten text in a cursive script, likely Persian or Arabic, covering the main body of the first manuscript. The text is dense and fills most of the page area.

Handwritten text in a cursive script, likely Persian or Arabic, covering the main body of the second manuscript. The text is dense and fills most of the page area.

Handwritten text in Persian script, likely a historical or administrative document. The text is densely written in a cursive style, with some lines starting with larger, more decorative characters. There are several large, dark circular ink marks or holes visible on the page, possibly from binding or damage.

Handwritten text in Persian script, continuing from the first page. The text is densely written in a cursive style, with some lines starting with larger, more decorative characters. There are several large, dark circular ink marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written in a dark ink on aged, slightly discolored paper. It begins with a large, ornate initial 'S' followed by several lines of text. The script is dense and flowing, characteristic of historical cursive. There are some small, dark spots or stains on the paper, particularly in the middle section.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It begins with a large, ornate initial 'S' followed by several lines of text. The script is dense and flowing, characteristic of historical cursive. There are some small, dark spots or stains on the paper, particularly in the middle section.

Handwritten text in the top right corner of the first page.

Main body of handwritten text on the first page, consisting of several lines of cursive script.

Main body of handwritten text on the second page, continuing the cursive script from the first page.

Handwritten text in the first section of the manuscript, consisting of several lines of script.

Handwritten text in the second section of the manuscript, continuing the script from the first page.

Main body of handwritten text on the first page, consisting of several lines of cursive script.

Main body of handwritten text on the second page, continuing the cursive script from the first page.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the width of the page. The text is densely written and appears to be a continuous passage. There are several large, dark circular marks or holes visible along the bottom edge of the page, possibly from binding or damage.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the width of the page. The text is densely written and appears to be a continuous passage. The script is highly stylized and characteristic of historical Islamic manuscripts. The text is written on a single line across the page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the top half of the page. The text is dense and fills most of the page area.

Handwritten text in a cursive script, likely Persian or Arabic, covering the bottom half of the page. The text is dense and fills most of the page area.

Handwritten text in a cursive script, likely Persian or Urdu, covering the top half of the page. The text is dense and spans across the width of the page.

Handwritten text in a cursive script, likely Persian or Urdu, covering the bottom half of the page. The text is dense and spans across the width of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of text, with some lines starting with decorative flourishes or initial letters. The script is dense and flowing, characteristic of historical cursive handwriting.

There are some small, dark circular marks or holes in the paper, possibly from binding or damage.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the entire width of the strip. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event, given the formal nature of the script and the use of certain characters that might denote titles or specific administrative terms.

Handwritten text in Burmese script, continuing the narrative or record from the top strip. This section also covers the full width of the strip and contains several lines of text. The script is consistent with the top strip, suggesting it is part of the same document. The text is densely packed and shows signs of being a formal or official record.

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. There are two large, dark circular marks or holes in the paper, one near the center and one towards the right side, which may be remnants of binding or damage to the original document. The script is dense and fills most of the page.

[The following section contains several lines of handwritten Burmese script.]

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans the width of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the page area.

Handwritten text in Burmese script, continuing from the top page. This section also contains dense, cursive writing, likely part of the same document. The text is organized into several lines, with some larger characters or symbols interspersed, possibly indicating specific dates or important events. The overall appearance is that of a formal historical record.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of dense, flowing script, with some larger characters and flourishes. There are two prominent circular holes or indentations in the paper, one near the left margin and one near the right margin, which appear to be from a binding or a hole punch. The overall appearance is that of a well-preserved but aged piece of historical writing.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of several lines of dense, flowing script, with some larger characters and flourishes. There are two prominent circular holes or indentations in the paper, one near the left margin and one near the right margin, which appear to be from a binding or a hole punch. The overall appearance is that of a well-preserved but aged piece of historical writing.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some visible ink bleed-through from the reverse side. The script is dense and appears to be a form of shorthand or a highly stylized cursive.

There are several large, dark circular marks or holes visible in the center of the page, possibly from binding or damage. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It features several lines of dense, flowing script, with some larger, more decorative characters interspersed. The text appears to be a continuous narrative or a series of related statements. There are some small, dark spots or stains on the paper, particularly near the center and right side.

Handwritten text in a cursive script, continuing the narrative or document from the top page. The script is consistent with the one above, showing a high level of fluency and skill. The text is arranged in several lines, with some larger, more decorative characters interspersed. The paper is aged and shows some signs of wear, including small stains and a slightly uneven texture. The overall appearance is that of a well-preserved historical manuscript.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single line across the page, with some visible ink bleed-through from the reverse side. The script is dense and characteristic of early modern European handwriting.
